President's Message

Hello Everyone,

Hope you all had a grand time at the Club's Summer Picnic last month. The weather was perfect, not too hot and not too cool. There were a ton of metal detecting prizes to win and just about everybody won something. Thanks to all who helped out to make the evening a success.

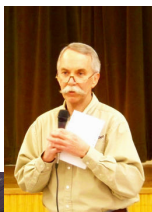

I have been following gold and silver for quite a few years now, and I'm amazed that they still haven't gone up in price yet. With gold trading for months, at close to its average cost of production (\$1300 oz.), and silver trading about \$5 less than its average annual production cost (\$25), and with all the problems we are having with the U.S. economy and politics, and what is happening around the world, it is hard to understand why gold and silver have not gone up substantially. Gold stocks are up 25% so far this year, indicating investors believe gold is on its way up. If you haven't already committed to owning tangible hard assets, now is the time, for it looks like they should be going up soon.

The UNS Coin club is having its annual coin show October 17th & 18th. Try to attend their show, to show support for our sister club.

The program for September's meeting will be a presentation by club member Boyd Pickering on "Gold Prospecting". We are hoping he will give us enough information so we can all go out prospecting and make ourselves rich. It should be a very interesting meeting. Looking forward to it. Remember to bring lots of money for our monthly raffle so you can win many of the great prizes we will have. The Wagonmasters are doing a fantastic job this year procuring raffle items.

Hope to see you September 25th,

Tom Davis
